

Transitional Care Form

Our goal is to provide benefits for continuity of care for any member of Anthem Blue Cross and Blue Shield who is in *active treatment for an acute or chronic condition or receiving prenatal care during the second or third trimester of pregnancy* (examples: inpatients receiving acute care, chemotherapy, ongoing post-hospital care), through the current period of active treatment **or** up to 90 days. If you or any covered family member are receiving care of this kind, please complete this form. Information provided will be kept confidential by Anthem Blue Cross and Blue Shield and will only be used as appropriate for medical management and transition of care. Anthem Blue Cross and Blue Shield may share this information with your primary care provider (PCP) and/or specialist and may be in contact with you to facilitate continuity of care.
